**Hon. Irshad Hussain, J.**

Heard Sri V.B.S. Negi, learned counsel for the petitioner and learned S.C.

The petitioner continued as Live stock Officer since 1997. We do not propose to interfere with the order of transfer. Even otherwise, the place of transfer is hardly 35 kms. From Dehradun.

Mr. Negi, learned counsel for the petitioner lastly tried to urge before us that the petitioner has a premature baby, who is under treatment. Therefore, the petitioner seeks stay of transfer for a period of one month at Dehradun. Only on this consideration, the authorities shall not give effect to the order of transfer for a period of 30 days from today. On expiry of this period, the petitioner shall join the place of transfer. With this the petition is disposed of.
